

Wireless Business Solutions- Built For You

When given the opportunity to provide a comparison of rate plans, customer service, and coverage, we have been able to demonstrate why Cellcom is the right choice for many chamber members. Call today to receive *your* complimentary rate plan analysis.

In the Fall of 2016 we renewed our cellular contract with Cellcom. Our Cellcom Associate Jake Gibson's attention to detail was as evident in the new contract as is his day-to-day service to our account. Being a 7X24X365 operation dealing with Public Safety, rapid resolution to problems and innovative solutions to our needs is always critical and Jake is always there working with us. He has also been a wealth of information trouble-shooting and providing tips to all of our employee base. I highly recommend Jake Gibson to anyone looking for a knowledgeable, friendly and honest cellular representative.
