## Ascend Initiative

**Members:** Martha Baldwin, John Cook, Scott Jensen, Ryan McMurtrie, Adam Pritzl, Michael Slowinski, Laura Waurio

**Objective:** To assist The Ascend Initiative leadership in successfully planning, funding and designing a 'community' kitchen whose purpose is to enhance the lives and development of The Ascend Initiative participants.

Adding a kitchen to existing community space to provide The Ascend Initiative the ability to engage participants in nutritional education, cooking skills, conflict resolution, time management, team building, budgeting, organization, and most importantly, creating imperative social connections.

**Outcome/Impact:** Construction planning and design guidance, potential gifts-in-kind (potential donors contacted, results tbd at time of printing) fundraising, contacts/networking, expanded donor list, a fundraising dinner, donations received from personal and business contacts, promotional video created, promotional brochure created and construction assistance.

## Outreach Garden

**Members:** Ryan Batley, Donna Evers, Travis Korth, Michael Schmid, Shana Shallue, Ryan Wirth

**Project Partners:** Appleton Central- Justin Heitl and Jason Stellmacher; Fork Farms- Alex Tyink and Gil Shaw; Riverview Gardens ServiceWorks- Maria Wierichs

**Objective:** To develop an Outreach Garden at Appleton Central School in partnership with Riverview Garden's ServiceWorks Program and Fork Farms.

**Outcome/Impact:** Our vision is to build exposure and support programs that Riverview Gardens already has in place. We hope to empower students in a way that provides job skills and life services training. Riverview Gardens provides transitional employment through their ServiceWorks program. We hope to create better exposure to the programs offered through Riverview Gardens that develop work/life skills and patience. In addition to teaching job and life skills, we are hoping that the students of Appleton Central learn healthy lifestyles that will benefit them in the future. Appleton Central School programs are geared towards at risk students.

## Kindness Project

Members: Sara Folk, Laura Kemps, Tina Lechnir, Sam Benjamin, Tim Murphy, Jacquelyn Warnecke

**Objective:** We are encouraging a movement of kindness and connection in the community. By performing acts of kindness, we influence others to be kind, too, and hopefully this movement will sustain itself by incorporating it in one's life pursuits. Our team has been conducting different projects that cover a unique "kindness" theme.

**Outcome/Impact:** Some of our projects have consisted of visiting the Veterans Home in King, WI where we helped wrap Christmas gifts and wrote out Christmas cards with our Vets. We partnered with St. Elizabeth Hospital who donated coffee where we popped up a tent outside and handed out free coffee to those going to work in downtown Neenah.

## FORTY1FREEDOM

Members: Susan Boettcher, Dan Gerken, Kelcie Kleuskens, Tera Larson, Nate Paul, and Alison Suski.

**Objective:** Our project focused on bringing awareness both to the issue of Human Trafficking in the Fox Valley as well as the resources available to combat it. By collaborating with many subject matter experts, we created a video with the goal of addressing this important issue and ultimately decreasing trafficking in our area. This video was produced with the help of Nancy Yarbrough, who shared her powerful journey as a human trafficking victim, the Grand Chute Police Department, and other local resources who are fighting this battle.

**Outcome/Impact:** Human Trafficking is not a well-known issue in the Fox Cities, but it affects our community every day. Our hope is that we can help free our community of trafficking. You can view our video at [forty1freedom.com](http://forty1freedom.com)

## Leadership Fox Cities Alumni Association

**Members:** Matt Brehmer, Cara Techlin, Brian Rammer, Aaron Olsen, Jen Peeters, Alex Kreul

**Objective:** Our group formed the Leadership Fox Cities Alumni Association (LFCAA). This membership group is open to all Leadership Fox Cities graduates, or graduates from a similar program in a different community, beginning July 1, 2018. The LFCAA will hold events throughout the year providing alumni with leadership, education, and networking opportunities. Membership contributions will also be used to support future Leadership Fox Cities classes with scholarships and/or support for small groups projects.

**Outcome/Impact:** The first LFCAA event kicked off on Tuesday, March 13, 2018 with a great turnout from the current Leadership Fox Cities class and alumni. Registration is now open for LFCAA. You can register at <http://foxcitieschamber.com/talent/leadership-fox-cities-alumni-association>. If you have any questions, please email [leadershipfoxcitiesalumni@gmail.com](mailto:leadershipfoxcitiesalumni@gmail.com).

## Give Back Bus Fox Cities

**Members:** Kristin Cates, Allie Gonnering, Rebecca Kellner, Kristopher Monty, Andy Poquette, Joy Sams, Paris Wicker

**Objective:** To bring the first "Give Back Bus" to the Fox Cities on Saturday, April 14th. The "Give Back Bus" is a fresh take on one-time volunteering for groups - the most popular kind for a younger demographic. In addition to piloting the first community ride, our small group is building the framework for this to be a continuing program with the Volunteer Center. This program will continue to help nonprofits around the area, educate our local citizens about community needs, and help the Fox Cities in continuing to be a great place to work and live.

**Outcome/Impact:** Our goal is to increase volunteer rates within the Fox Cities particularly in the younger generations and help build a greater sense of service and pride in our local communities. In addition, we hope to help community members learn more about the local nonprofit community and the great things happening right in their backyards.

## - Interests -

The new class of leaders identifies topics or issues in which they are experienced or have interest. This supports the belief that individuals with passion and commitment to a cause or need will provide dedicated service, in order to assist local non-profits and other community-serving organizations.
