The Faith Apprentice I is responsible for electrical and specialty systems installations, troubleshooting and maintenance through well-versed knowledge of the National Electric Code (NEC). Our job site professionals thrive under self-directed management to complete projects safely and on time. All job site employees participate and drive safety initiatives such as tool-box talks and operational risk management meetings to proactively identify safe practices for our people. Our crews rely on teamwork to drive results through strategic use of partnerships and planning.

#### **MINIMUM REQUIREMENTS**

Education: High School Diploma or GED preferred

Travel: 60-75%

Work Schedule: Between the hours of 6 am to 6 pm, Monday through Friday. May vary based on customer demands and can include, but is not limited to: nights, weekends, and holidays.

#### **KEY RESPONSIBILITIES**

- Travels to customer premises to install, maintain, and provide basic troubleshooting of electrical and specialty systems.
- Installs and bends conduit using manual, mechanical, and hydraulic benders.
- Performs wire and cable pulls.
- Demonstrates appropriate skills of a First Year Apprentice.
- Assists with material handling duties on the job site.
- Provides technical assistance to other apprentices as needed.
- Maintains compliance with company policies.
- Maintains compliance with all OSHA, Company, and customer-specific safety requirements.
- Cleans and maintains tools, test equipment, and job site.
- Actively participates in Faith's hiring referral and mentoring program, as appropriate.
- Performs other related duties as required and assigned.

The job description and responsibilities described are intended to provide guidelines for job expectations and the employee's ability to perform the position described. It is not intended as a comprehensive list of all functions, responsibilities, skills or abilities. Additional functions and requirements may be assigned by supervisors as deemed appropriate.

#### **How Does FTI Give YOU the Chance to Thrive?**
