

*We Want **YOU** to join our innovative, growing team!*

Production Operator (12-hour shift rotation) Positions Available NOW!

For over six decades and four generations, Galloway Company has been delighting customers nationwide with high-quality industrial ingredients for sweet treats, sourced from local dairy farms. Under continuous family ownership, each employee is embraced as part of the Galloway family. With a rich multigenerational history, a reputation for quality products, and superior customer relationships, we are a recognized leader in the dairy processing industry.

We are looking for great people who enjoy working in a fast-paced, manufacturing environment, including rotating shifts, overtime, and a super culture of excellence.

Our ***Production Operators (12-hour shifts)*** are responsible for operating and maintaining production lines, ensuring product quality through quality control procedures, communicating effectively with team members, and training new staff members.

*****Earn over \$33.00 per hour with Gold Standard Benefits including rich health benefits and a generous weekly contribution to your 401k in addition to the company match on personal contributions with 100% vesting immediately!***

Qualifications:

- \$28.25 Starting Pay
- Must be able to work rotating shifts in a 24/7 food manufacturing environment.
- Experience with equipment operation, preferably in the food industry
- Understanding and adherence to quality control procedures
- Excellent communication skills to effectively work with team members
- Ability to train and mentor new staff members
- Ability to troubleshoot and problem-solve production line issues
- Good record-keeping skills to accurately document process operations
- Experience with Good Manufacturing Practices (GMPs) and Standard Operating Procedures (SOPs) is a plus
- High School diploma or equivalent is required
- Strong work ethic and attention to detail
