

YA – Fabricator/Welder

BASIC DESCRIPTION:

Are you a high school student looking for hands-on experience in manufacturing? Miller Electric, an ITW company, is looking for a Youth Apprentice to join our Fabrication Department in the Components Division in Appleton, Wisconsin!

This apprenticeship is a great opportunity to gain real-world experience while working alongside skilled fabricators and painters. As a Youth Apprentice, you'll assist with various support tasks while learning valuable skills in a team-oriented environment. We're looking for a motivated team player with a great attitude who's eager to learn and grow.

ESSENTIAL FUNCTIONS:

This individual will become an active member of the team and assist in making improvements as well as consistently working to eliminate bottlenecks. You will learn how to work with different machines, hands on experience with manufacturing processes and work in a team-oriented environment with experienced mentors.

MINIMUM QUALIFICATIONS:

- Currently enrolled in high-school.
- Interest in hands-on learning and manufacturing.
- Interest in sheet metal, fabrication, painting, and assembly a plus.
- Good communications skills.
- Willingness to learn and grow.
- Ability to follow safety guidelines and work in a team environment.
- Good attendance and reliability.
- Basic computer skills are required.
- Must possess good eyesight and dexterity.
- Must be willing to cross-train.
- Must be able to stand for up to 12 hours a day and lift up to 50 lbs.

Company Description

Comprised of a market-leading portfolio of best-in-class brands, the businesses of ITW Welding work together to provide premium performance delivered through a breadth of solutions encompassing welding, cutting, consumables, and accessories. ITW Welding North America represents Miller Electric Welding Equipment, Safety & Accessories, Hobart Filler Metals, and Bernard / Tregaskiss MIG Guns.

Miller Electric Mfg. LLC, is headquartered in Appleton, Wisconsin, and wholly owned by [Illinois Tool Works](#) (NYSE: ITW). The company maintains its industry leadership by setting the standard for reliability, quality and responsiveness. Our tagline, “The Power of Blue®,” is inspired by the blue color of Miller equipment.

The company began with an innovation that responded to customer needs, growing from a one-man operation in 1929, to the world’s largest manufacturer of arc welding products. Miller keeps the tradition alive by focusing on its top priority: people.
