

YA – Machinist

BASIC DESCRIPTION:

Are you a high school student looking for hands-on experience in manufacturing? Miller Electric, an ITW company, is looking for a Youth Apprentice to join our Machine Shop Department in the Components Division in Appleton, Wisconsin! This apprenticeship is a great opportunity to gain real-world experience while working alongside skilled machinists. As a Youth Apprentice, you'll assist with various support tasks in the Machine Shop while learning valuable skills in a team-oriented environment. We're looking for a motivated team player with a great attitude who's eager to learn and grow.

Essential Functions:

- Set up and operate machines within the cell
- Know inspection tools and how to use
- Know how to order material and tooling
- Know how to ship material
- Know how to receive orders (Kanban, line stock, etc.)

Qualifications

- Must be a high school Junior or Senior
- 1 year of experience with mathematics, blueprints and measuring devices preferred
- Position requires a team player, a self-starter with good communication skills
- Cross training is required on a regular basis
- Must be able to stand for the entire shift and have the ability to lift 50lbs continuously

Company Description

Comprised of a market-leading portfolio of best-in-class brands, the businesses of ITW Welding work together to provide premium performance delivered through a breadth of solutions encompassing welding, cutting, consumables, and accessories. ITW Welding

North America represents Miller Electric Welding Equipment, Safety & Accessories, Hobart Filler Metals, and Bernard / Tregaskiss MIG Guns.

Miller Electric Mfg. LLC, is headquartered in Appleton, Wisconsin, and wholly owned by [Illinois Tool Works](#) (NYSE: ITW). The company maintains its industry leadership by setting the standard for reliability, quality and responsiveness. Our tagline, “The Power of Blue®,” is inspired by the blue color of Miller equipment.

The company began with an innovation that responded to customer needs, growing from a one-man operation in 1929, to the world’s largest manufacturer of arc welding products. Miller keeps the tradition alive by focusing on its top priority: people.

Additional Information

ITW Welding is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected Veteran status, age, or any other characteristic protected by law.

At ITW Welding, we’re not just a place to work – we’re a community that empowers you to grow and make a real impact. Join us and build a career that makes a difference!”
