

EMPLOYER INFORMATION

Name of Organization	Amcor
Description	Amcor is the world's largest publicly traded packaging company. Consumers touch and use our packaging every day – from food staples to medical equipment and pharmaceuticals, pet food and even water. Lives are better because of our work. Our culture, talent and brand unite us, set us apart from our competition and shape our reputation as a global leader. Sustainability is paramount; we are on track for all our packaging to be reusable or recyclable by 2025. With an Amcor career, you will enjoy competitive starting wages with opportunities for incentive pay, benefit eligibility on day one and well-being programs to help you be your best self. There are many opportunities to advance and grow your career within our global network. Join us!
