

EMPLOYER INFORMATION

Name of Organization	August Winter & Sons, Inc.
Description	August Winter & Sons is a full service mechanical contractor headquartered in Appleton, WI with a satellite office in Wausau. August Winter & Sons began in 1929 with August & his two sons in their garage. Over the years our company has grown, & today we occupy a 5 acre campus in Appleton with 150 employees working to serve over 350 field install staff. From our humble beginnings to our current employee base, our company strives to maintain that small company atmosphere & environment. Our in-house engineering & modeling staff provide unique design build solutions for heating, cooling, plumbing and industrial systems. We serve a variety of industries including Healthcare, Commercial, Industrial, Water, & Waste Water industries.
