

EMPLOYER INFORMATION

Name of Organization	Miller Electric
Description	Miller® is about building things that matter. We lead the welding industry in building advanced, solution-focused products & meeting crucial needs for welding safety & health. We're about the partnership & the work. Our products are designed for aviation, manufacturing, fabrication, construction, motorsports, education, agriculture & marine applications. The company maintains its industry leadership by setting the standard for reliability, quality & responsiveness. This company began with an innovation that responded to customer needs, growing from a one-man operation in 1929, to the world's largest manufacturer of arc welding products. Miller keeps the tradition alive by focusing on its top priority: people.
