

# EMPLOYER INFORMATION

Name of Organization	Werner Electric Supply
Description	Werner Electric Supply is a company with a storied history rooted in the Fox Valley. We distribute electrical supplies & provide industrial & construction services to a diverse, local customer base. We partner with companies in Wisconsin who build our infrastructure & create the products & tools used every day. Our customers rely on us for the products needed in daily production & the services that boost efficiency & save money. Due to our unwavering commitment to our communities, customers, & people we've received the prestigious New North Workplace Excellence Award & were recently honored to be the first company to receive a Family Friendly Workplace Certification within the Fox Valley.
