

FOX CITIES CHAMBER

NATIONAL CHAMBER OF THE YEAR

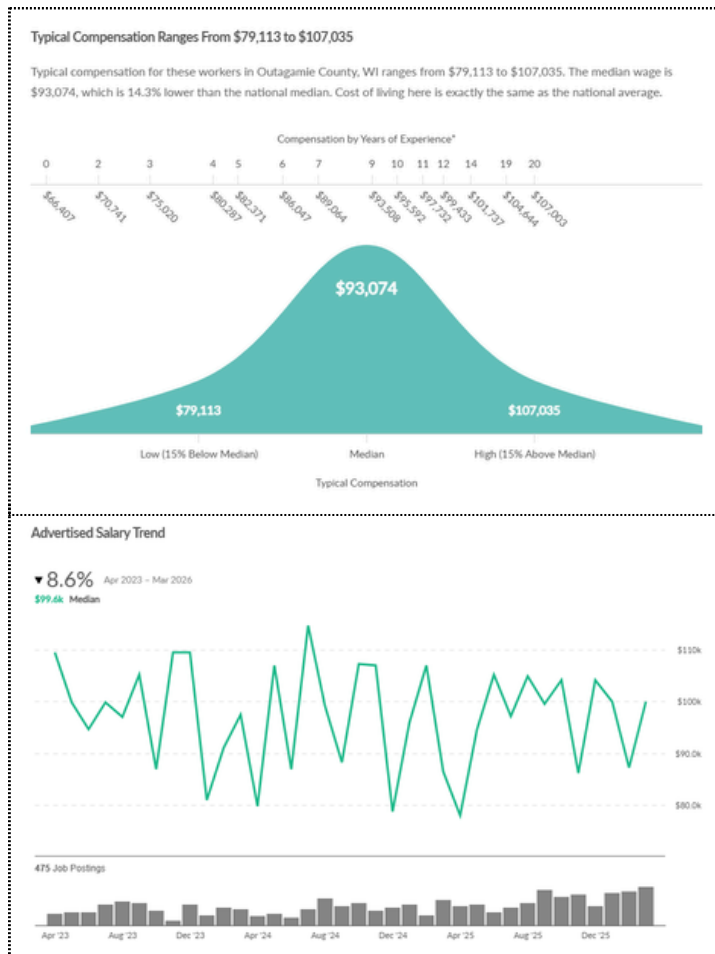

Custom Wage Benchmarking Services

Make more informed compensation decisions with customized, data-driven wage reports powered by Lightcast. Our benchmarking services help employers stay competitive, attract talent, and align compensation with the local market.

What you receive

- Typical compensation ranges for determined area and role
- Median and percentile wages (25th, 50th, 75th, 90th)
- Compensation breakdown by years of experience
- Compensation comparison to national averages
- Cost of Living adjusted compensation
- Advertised salary trends (6 months, 1 year, 3 years) if available

Sample Graphs

Options & Pricing

Option 1: SOC Code-Based Report (SOC Codes Provided by Employer)

- Highest level of accuracy and benchmarking precision
- Based on standardized occupational classifications
- Ideal of HR teams and compensation planning
